

Subpart D—Consideration for Appointment**§ 332.401 Order on registers.**

Subject to apportionment, residence, and other requirements of law and this chapter, OPM shall enter the names of eligibles on the appropriate register in accordance with their numerical ratings, except that the names of:

(a) Preference eligibles shall be entered in accordance with their augmented ratings and ahead of others having the same rating; and

(b) Preference eligibles who have a compensable service-connected disability of 10 percent or more shall be entered at the top of the register in the order of their ratings unless the register is for professional or scientific positions in GS-9 and above and in comparable pay levels under other pay-fixing authorities.

§ 332.402 Regular order of certification for appointment.

When OPM receives a request for certification of eligibles, it shall prepare a certificate from the top of the appropriate register containing the names of a sufficient number of eligibles to permit the appointing officer to consider three eligibles in connection with each vacancy.

§ 332.403 Selective certification.

When there is no register appropriate as a whole for the certification of eligibles for a particular position, OPM may prepare a certificate from the most nearly appropriate existing register by the selective certification of eligibles qualified for the particular position in the order of their ranking on the register. Special overseas selection factors may also be used as a basis for selective certification from a register used for filling overseas positions. When appropriate, OPM may re-rate the eligibles on the register on the basis of the particular requirements of the position.

§ 332.404 Order of selection from certificates.

An appointing officer, with sole regard to merit and fitness, shall select an eligible for:

(a) The first vacancy from the highest three eligibles on the certificate who are available for appointment; and

(b) The second and each succeeding vacancy from the highest three eligibles on the certificate who are unselected and available for appointment.

§ 332.405 Three considerations for appointment.

An appointing officer is not required to consider an eligible who has been considered by him for three separate appointments from the same or different certificates for the same position.

§ 332.406 Objections to eligibles.

(a) An appointing officer is not required to consider an eligible to whose certification for the particular position he makes an objection that is sustained by OPM for any of the reasons stated in § 339.101 or § 731.201 of this chapter or for other reasons considered by OPM to be disqualifying for the particular position. OPM may also sustain an objection to certification of an otherwise qualified eligible for an overseas position on the basis of special overseas selection factors.

(b) An appointing officer may not pass over a preference eligible to select a non-preference eligible unless an objection to the preference eligible is sustained by OPM.

(c) Pending OPM action on an agency's objection to an eligible, the agency may not appoint an eligible who would be within reach only if the objection is sustained.

(d) Paragraphs (b) and (c) of this section, do not apply if the agency has more than one position to fill from the same certificate and holds a position for the individual objected to in the event OPM does not sustain the objection.

(e) Agencies shall follow the procedures for objecting to an eligible published by OPM in the Federal Personnel Manual.
